

**Sisters:**

**If you are planning to attend the Wednesday night banquet at State Convention – your money for the banquet will be collected that night by the Davenport Aux. The reason for that is because the \$19.00 you were told as the price is based on 35 people in attendance that night. Since the rental of the suite is built in to the price, the price may go up or down based on the number of people who RSVP and actually come to the banquet.**

**Also, please don't forget that the banquet starts at 4:00 PM which is different from the normal time we usually start due to the Ballgame.**

**If you have any questions, hopefully we can get them answered for you. Thank you all for supporting this function!**

**Cindy Balsanek**

**IA State Aux. Secretary**
