

**GRAND AERIE  
LOCAL CHARITY  
FUND RAISING**

**INFORMATION SHEET**

**For Local Secretary**

In our Fraternity there are many local charity and volunteer functions we do and never receive credit for. We would like to be able to advertise what money we raise and the volunteer hours we work for our local charities. We have been spreading the word that we raise \$10 million dollars for our charities, however we are not getting credit for the monies that we raise locally that do not get funneled through the Grand Aerie Charity Department. Therefore, with your help, we hope to be able to start reporting these figures.
